Dear Future Donor,

As you may already know, *McAlester Bands* is an instrumental music organization within McAlester Public Schools. Our mission is to educate and to inspire passion and dedication to music through music education. It is statistically proven that children who study music are more likely to excel in other courses, work better in teams, have enhanced critical thinking skills, stay in school, and pursue further education. One of the ways we educate and inspire is through our Marching Band.

Our competitive 135-member Marching Band, *The Pride of McAlester*, is a vital part of our music program. Marching Band teaches physical discipline, encourages leadership and teamwork, and advances musical knowledge, along with many other things. We are seeking community sponsors to support our program by helping to offset the annual expenses of fielding a competitive marching show, maintaining equipment, and helping some of our students that have true financial hardship. This is a unique and effective way to advertise your business in the community and across Oklahoma while helping our band students receive a world-class musical experience and education.

We would like to say thanks to our previous sponsors. If you or your business would like to donate, please consider the following options on the next page or please contact me if you have questions. The deadline for your business to have your logo displayed is Friday, September 20th. Please email me a jpeg or png file of your business logo.

Sincerely,

Mark Price
